

REMARKS

Entry and consideration of the patent application with the preliminary amendments set forth above is respectfully requested.

Claims 1 through 15 remain in this application. No claims have been cancelled or withdrawn. Claims 16 through 20 have been added.

The amendment of the Abstract is submitted to further clarify the invention in view of a typographical in the original form of the Abstract.

Claims 16 through 20 have been added to present different claim scope for consideration by the U.S. Patent and Trademark Office (U.S.P.T.O.).

CONCLUSION

In light of the foregoing amendments and remarks, early consideration and allowance of this application are most courteously solicited.

Respectfully submitted,

KAARDAL & ASSOCIATES, PC
